The 23rd ISU Alumni Band Homecoming

October 17-18, 2003
Join Us!

A Letter From The President

Greetings from Ames to all you former band members, whether you are a new grad or one who graduated or attended ISU years ago. Remember, the only requirement for being in the Alumni Band at Homecoming, a basketball game or two, or in the VEISHEA parade is that you attended Iowa State and were a participant in any of the bands here.

If you have not been back to Ames and the campus for a few years why not come this year? These events are great ways to keep up with old friends from your college days and to make new ones, and if you know of others that were involved with the bands who do not get this newsletter, be sure to pass the word along and encourage them to come too. Whatever time the game, it's hard to say for sure with TV possibilities always cropping up, there is sure to be a good crowd on hand as they say the season ticket sales for football are up this year as well as demand for donor parking.

These events are also good opportunities for you to come back and see how the campus has evolved. Did you know that part of Helser is gone and has been replaced by a new community center and there are new suites where Clyde William Field was? Or that there is a new engineering building, Hoover Hall, by the water tower that is connected to Howe Hall by a skywalk? Or how about the Gerden College of Business building, a new parking ramp, or the Johnny Majors indoor practice facility? Hawthorn Court has also been replaced with new buildings, a 4-H Extension building has gone up at 13th and Stange in what was at one time part of Pammel Court, and out at University Village remodeling for the move of the day care is taking place. Starlight Village, where we meet on the Friday night before Homecoming, has also been busy, as they have remodeled their entrance, bar, and restaurant. It may also be your last chance to see some of the buildings that you were familiar with on campus: the EO Building, Storms Hall, and others could be gone a year from now, but it appears Morrill Hall has been saved as restoration plans are under way.

So just pick a reason, pick an event (or come back for all of them), and lets make this one of the largest and best sounding Alumni Bands ever at Iowa State or the Big 12, heck, how 'bout in the world?

Jim Wilcox '79
ISU Alumni Band President

Why Am I Receiving This?

For many of you this is the first newsletter you have received in years. We hope that this will find you in good health and living with much happiness. Our goal over the next five years is to contact past Marching Band members and encourage them to become active in the Alumni Band. This is the second year of our plan and we are sending this newsletter to anyone who graduated in a 19X3 or 19X8 year. The newsletter automatically goes out to anyone who has participated in a past Alumni Band event or who has graduated in the last five years.

We hope that Homecoming 2003 will fit into your schedule and that you will be able to join us marching on the field. We realize not everyone will be able to attend so if you wish to receive future newsletters make sure to send back the bottom portion of the registration so you don't have to wait another 5 years to hear from us!

Dear Alum:

We hope that you will be able to attend this year's Homecoming and participate in the activities of the ISUCF"V" Alumni MB. We're already working to make sure the field is accurately marked, the ham salad is fresh, the old instruments are untarnished, the drinks are cold, and the ache ointment is delivered ALL IN TIME FOR THE OCTOBER 18th ARRIVAL OF THE WORLD'S GREATEST ALUMNI BAND!!!

Hey, . . . hop to! Homecoming is right around the corner and we need you to send in your registration form TODAY!!! Our Marching Band Alumni Council, under the direction of President Jim Wilcox, has also been hard at work organizing this year's event. They've promised to have things structured at least as keenly as they play their instruments, but please come anyway! It is a guaranteed great time.

As much as we enjoy seeing the same faces each year, it is also gratifying to see new ones. If you haven't taken the virgin voyage back to the haunts of your collegiate career, NOW IS THE TIME! Until you've taken the field as a marching band alum, you just haven't lived. Right? Right!

Matt Smith, our marching band director, is beginning his second year and will have his typically incredible, not-to-be-believed halftime show! Matt has been a tremendous addition to the band program at ISU which he has assumed in his usual unassuming way, assuming that he only assumed the position on the assumption that others would assume that he was assumed to be qualified. He is!

So fill out that registration and make plans to join us on October 17th-18th for a simply spectacular Homecoming. We look forward to having you back on campus!

Go Cyclones!

Michael Golemo
Director of Bands

Dear ISUCF"V"MB Alumni,

It took a while, but the heat of summer has finally reached us here in Iowa! The summer breeze also brings the building anticipation of another marching band season, one that is sure to rival last year in activity.

At the current time, we have seven home games and two exhibition performances on tap for the fall. In addition to the home schedule, we will perform at the Indoor Marching Band Classic in Cedar Rapids on Monday, October 27. And, on Homecoming Weekend, we will travel down to Ankeny to perform at the Mid-Iowa Band Championship after the game. We are looking forward to performing in these exhibitions, and our students thrive on playing and marching for these audiences.

Our show plans for this fall will include a rock show to open the season, as well as a traditional patriotic show, music from *Gladiator* and *Ben Hur*, and believe it or not, an opera show (don't worry, you will recognize most of the music)! The theme for our Homecoming show this season will be the music of the Beach Boys - it should be another great weekend. I was very impressed with the Alumni Band Homecoming activities last year, and look forward to continuing a wonderful tradition with all of you on the weekend of October 18. Please make plans to be a part of it!

Once again, thank you for all of your dedication and support of our bands here at ISU. It is thrilling to see that the dedication of the Alumni Band continues throughout the entire year, including winter and spring here on campus!

Go Cyclones!

Matthew Smith
Associate Director of Bands
Director, Cyclone Marching Band

Letter *From* the Editors

A few more things to squeeze in:

Do you know someone worthy of an award? Each year the Alumni Band considers the contributions of its members and friends. When the board sees fit one of three honors can be bestowed on a deserving individual. The awards include:

Noteworthy Service Award: Given to an official Alumni Band member in recognition of time, talents, financial donation, and service in the spirit of the Alumni Band and the ISU Program.

Tutti Award: Given to a person, usually male, and an unofficial member of the band for exemplary service and dedication to the band.

Gracernote Award: The female version of the Tutti Award.

Nominations are taken throughout the year and the awards are presented at Homecoming. Contact any board member with your nomination.

The 2002 recipient of the Noteworthy Service Award was Lorna Livingston. Lorna has been an active participant in the Alumni Band since its induction in 1981. In addition to playing at Alumni Band events, Lorna is a past president of the Alumni Band, active board member, and has marched in every Alumni Band Homecoming half time show. Lorna even marched with the "Varsity" band at the London Millennium Day Parade. The enthusiasm and long time commitment to the Alumni Band makes Lorna truly Noteworthy!

You may have noticed the Alumni Band unveiled a new banner at this year's Veishea parade. After years of wear and tear the existing banner was showing its age. The board voted to design and purchase a new banner for the Alumni Band that wouldn't include a date, saving the annual expense of updating the banner. Thanks to Ben Ihde and Sign-a-Rama, the Alumni Band will be easily identified in a crowd.

Thanks for reading and participating.

Just ask the Alumni Band

By: Stephanie Hansen '93

Which is exactly what the Varsity Band did last August when they realized that they would be short a few players for a Des Moines appearance. For the past few years Iowa State has been invited to hold a pep rally during the Des Moines Downtown Farmers Market. The Pep Band, Cheer Squad, Cy, Coach McCarney, and some of the players are featured during this morning event. Usually held in late August, the event attracts large crowds. This year however the rally was scheduled for early August—before most students make their way back to Ames. The Varsity Band put out the call for help and the Alumni Band responded with their usual enthusiasm.

Every Heart Beats True for the Red White and Blue

By: Stephanie Hansen '93

The annual Alumni Band reunion was held the Friday of Homecoming at the Starlite Village in Ames. The Board of Directors led by Co-Presidents Gale and Sue Chatterton, hosted the Patriotic themed event. Featuring a raffle, a "surprise" performance by the Varsity Band, and election of new Board Members the evening was a chance to revisit the past and reconnect with old friends. Everyone was encouraged to dress as their favorite historical figure or in their best Red, White, and Blue. As you can see from the pictures some took that a little too literally! In true Alumni Band tradition the festivities were well received and judging by the number of children in attendance the next generation of marchers is guaranteed!

Halftime Under the Lights

By: Stephanie Hansen '93

With the outstanding start to the season, Iowa State Football has received major television coverage. The Homecoming 2002 game was no exception, featured on WTBS this nationally televised game kicked off at 6:00pm. This brought a unique situation to the Alumni Band- we actually got to sleep in on Saturday! The day started with a music rehearsal at 9:30am, and then moved to the practice field to learn the drill and run through the show with the Varsity Band. The 164 person Alumni Band took to the night field -the first time since 1984- for a Homecoming halftime show under the lights. Featuring music from the Blues Brothers we entertained the crowd with such favorites as Give Me Some Lovin, and Sweet Home Chicago. The brisk fall night didn't impact the Cyclones as they defeated Texas Tech 31-17, their sixth win of the season.

Pep Bands Win Pair

by Jay Chapman '92

The ISU Alumni Pep Bands enjoyed two more basketball victories this past season. It looks like the band is back on it's winning streak! It started with a Men's 76-55 victory over in-state rival Drake. The game marked the middle game of the three game swing that gave ISU the mythical basketball state title.

The game was a little closer with the Women's 72-70 triumph over Kansas. Some last game free throws helped ISU and the Alumni band head home happy again.

The group decided to look into playing for more games this upcoming season, so watch for more information on Pep band opportunities.

The basketball pep bands have become the second most popular Alumni Band event after Homecoming. Be sure to indicate your interest in pep band on the Homecoming survey.

JUST LIKE OLD VEISHEA

by Peter Tubbs '92

A hearty band of 55 Alumni Band members braved the harsh 70 degree weather on the 2003 VEISHEA parade float. Mild sunburns were earned by the few who bared their winter legs to brutal April sun. The love of Alumni Band can overcome even the most challenging of weather conditions.

Naturally, the year that the float was NOT #74 of 74 in the parade was the year nobody cared about waiting for their turn. Some in the band suspect there is an inverse relationship to the float's position and the quality of the weather on VEISHEA. Here's hoping the VEISHEA organizers noticed the trend, also.

Many thanks to Joe Sabers of Ames for the use of the hayrack and Moffitt Ford in Boone for the spiffy truck to pull it with. Ben Ihde was efficient as always in the organizing of the float.

Steve Hovey 2002 Scholarship recipient

Steven Hovey is the 2002 ISU Alumni Band Scholarship recipient. The Maquoketa Iowa native has been a three year member of the ISU Marching Band, and has served one year as a right guide. Along with performing in the Symphonic Band and Wind Ensemble, Steven has worked on the Student Band Staff for three years, twice serving as Manager. The Music Education major has a brother, Matt, and sister, Bess, who were both Music Ed majors and Marching Band members. Steven plans on graduating in the Spring of 2004, and hopes to be a band director.

Your support of the ISU Alumni Band helps fund the educations of scholars and musicians like Steven.

We know some people have conflicts. Please join us for as much as you can.

NOTE: Some individuals in the past have marched at halftime without attending the morning rehearsal. This is extremely detrimental to the group as a whole, and detracts from the performance. If you intend on marching at halftime, it is mandatory that you attend rehearsal, and arrive at halftime in full and correct uniform.

Thank you for your adherence to these policies.

UNIFORMS

For Homecoming 2003, the "OFFICIAL" on-the-field uniform includes the following items:

- Red Jacket
- Red Shirt
- Black Pants (NO blue jeans please)
- Black Socks
- Black Shoes (NO tennis shoes please)
- Berets or hats (optional)

If you do not have any of these items listed above, please do your best to secure them by Homecoming weekend. It only takes ONE person "out of uniform" to make a difference.

PLEASE NOTE: All Alumni Band members who intend on marching in the halftime show at Homecoming will need to have a red band jacket. Those without a jacket will not be allowed to march.

RED BAND JACKETS

Red Jackets are part of the official Alumni Band uniform sporting the current athletic logo customized for the Alumni Band on the back. They have a lightweight poplin shell treated to resist stains and rain, a snap front and a light weight lining.

Alumni Band Jackets are \$40.00. If you wish to purchase one, please indicate that on your registration form. You can purchase a used rental jacket for \$30. Sizes are limited, and every attempt will be made to fill your order.

If you have questions, e-mail Jim Wilcox at jwsknk@iastate.edu

THE TICKET ISSUE

Tickets purchased privately cannot be used by members of the Alumni Band for admission to Jack Trice Stadium. This is an Athletic Department policy that the Alumni Band has no control over. In the past, individuals have subtracted the cost of a ticket from their \$40 registration. The Alumni Band must make up this shortfall if it is not collected from the individual when their packet is picked up. Sell your tickets to someone who would enjoy them.

ROOM RESERVATIONS

We have 25 rooms reserved at the Starlite.

SATURDAY BRUNCH

Brunch at Scheman. Please note that every person eating brunch will need a meal ticket. These meal tickets will be in the packets you receive during check-in on Friday night or Saturday morning. Your registration fee covers meals for you. Please mark the number of extra meal tickets needed on your registration form. This change in procedure is necessary since Scheman catering calculates our meal charges based on plate count.

GOLDEN ALUMNI SHUTTLE

Transportation to and from the Scheman Continuing Education Building and Jack Trice Stadium will be available on Saturday to any Alumni Band member or guest who does not desire to make the journey on foot. If you would like to reserve a seat on the shuttle, please indicate this on your registration form.

INSTRUMENTS

The Iowa State University Band Department will supply the following instruments for those who will need them on Saturday, October 12:

- Marching French Horns
- Sousaphones
- Baritones
- Percussion

If you need to borrow one of these instruments, please make sure you designate this on your registration form. Due to a limited number of instruments available, it is first come, first serve.

If you need to borrow an instrument other than those listed above, please do your best to try and locate a horn from another source (local schools, music shops, friends). It is very time consuming for the band staff to gather all the necessary equipment at one of its busiest times of the year. However, in the rare instance that you cannot locate a horn, please mark your registration form accordingly.

If you do borrow an instrument from the ISU Band Department, you will need to bring your own lyre, reed, neck strap, etc.

**YOU ARE RESPONSIBLE FOR RETURNING
THE INSTRUMENT TO ITS PROPER PLACE AFTER THE GAME!**

We Need You! Run for the Executive Board

Have you ever wanted to give something back to the band or to just get more involved and didn't know how? It is easy. It is fun. You won't even have to spend anything on your election campaign!

The Executive Board meets three to four times a year in connection with regularly scheduled Alumni Band functions on campus. This is a great opportunity to become more involved with the inner workings of the Alumni Band. The Executive Board, among other things, plans all Alumni Band functions, conducts fund-raising, and helps support the Varsity Band. If you cannot serve, new ideas from all members are always welcome.

Duties

President (Three-year commitment) shall be the executive officer of the Alumni Band and the Executive Board and will conduct all meetings, sign for the organization and appoint committees as needed.

Secretary (One-year term) shall keep minutes of all meetings, distribute them to all members of the Executive Board as soon as possible, and carry out correspondence.

Treasurer (One-year term) shall maintain financial records of all income and expenses, prepare reports for each major event and distribute reports in a timely manner to the Executive Board, and carry out other duties as assigned.

Newsletter Editor(s) (One-year term) shall chronicle the meetings and appearances of the Alumni Band so that members unable to attend may be apprised of the events.

Public Relations Specialist(s) (2) (One-year term) shall propose and execute publicity campaigns as appropriate to make the public aware of the good works (and good times) of the Alumni Band and shall carry out other duties as assigned.

Directors-At-Large (3) (Two-year term) shall advise and consult as part of the Executive Board at all meetings and shall carry out other duties as assigned.

How to Apply

1. Select a position.
2. Submit your application. Or submit a nomination. This consists of a short three or four sentence biography. Also, send a picture OR we will take a Polaroid of you on election night. Write-in nominations will be taken primarily from the registration forms.
3. Campaign during Homecoming activities. You will have a special candidate name tag to wear. A bulletin board will have your biography and picture, along with the other candidates, for viewing on Friday and Saturday.

Elections

Ballots will be in the registration packets, available when you check in Friday night or Saturday morning. Band members will have an opportunity to vote via the written ballot during Friday night festivities or during the Saturday brunch.

Votes will be tallied on Saturday and the results will be announced during the annual business meeting that morning.

Buy Dinner For A Future

Alumni Band Member

Last year, due to your generous contributions, every senior Varsity Band member received a complimentary ticket to the Varsity Band banquet. The Alumni Band hopes to continue providing tickets to the banquet for graduating seniors.

The year end banquet is an eagerly anticipated event for Varsity band members, and for many, it is their last official activity with the band. By purchasing a \$15.00 ticket you are able to thank a senior band member for their hard work and enthusiasm in the Varsity band, and welcome them to the Alumni Band. You will find on the Homecoming Registration a line where you can indicate the number of tickets you wish to provide. We hope to make this new tradition a way to thank the Varsity Band members for their years of effort and commitment to the Band.

SUPPORT THE ADOPT-THE-BAND CAMPAIGN

Iowa State University has many traditions, but as you all know, few symbolize the energy of its students as well as the Cyclone Bands. The nonstop showmanship and enthusiasm of the bands captures every member of the audience.

ISU alumni and friends take pride in the Cyclone Bands and the outstanding young men and women who represent the university with such dedication and talent. Now, through the Adopt-The-Band Campaign, you have a great opportunity to demonstrate that pride and to provide direct support to all eight bands. Your support will ensure that Cyclone Bands remain the best in the land.

Launched during the '95 football season, Adopt-The-Band was designed to raise cash on an annual basis as well as provide a way for members of the Alumni Band to support the fund raising campaign with cash contributions ranging from \$25 to \$5000 annually.

For annual contributions of \$100 or more, a donor may select a specific rank position. The program is modeled after the National Cyclone Club which entitles the donor additional perks and bonuses for each level of giving. All donations greater than \$100 will also be recognized in the football program.

The largest fundraising effort in the band's history, the campaign seeks to raise \$1 million in endowment funds. The Adopt-The-Band Campaign will also help put cash into the endowment now so that income is available for urgent needs such as new uniforms and instruments.

To adopt a band member(s), contact the ISU Foundation at 515-294-4607, or the Band Office at 515-294-2080 for an adoption/gift form.
